

To Whom It May Concern,

My name is Matthieu Hargrove. I am a Milford, CT resident writing to ask our State House Representatives to oppose the House Bills 6667, 6816, 6817. This is a clear and obvious infringement in the rights of law-abiding citizens to exercise their Constitutionally protected 2nd Amendment rights. In addition, you are -trying- to criminalize Connecticut Citizens who have already jumped through all your hoops to legally own and maintain firearms. Please stop what you are doing.

YOU ARE STEPPING TOO FAR. I am speaking for thousands of Connecticut Patriots and we will legally resist any unconstitutional law. You will be hurting local businesses across Connecticut that rely on ammunition/range/firearm sales.

You are making it harder for the average American to protect their family. This is flat out dangerous.

I look forward to this being resolved promptly.

Sincerely,

Matthieu Hargrove  
Milford, CT Resident
